Growing In Grace

PRESIDENT L. W. GOEBEL

A NEW member in one of our larger churches, after a few months, discovered that his fellow-members had but a very general understanding of the program of our

DR. GOEBEL

denomination. Having obtained from his pastor the desired information, he prepared a graphic statement through which he shared his newly acquired knowledge with others. We would suggest to the pastors of our congregations

that one of the most helpful instruments through which they can keep their members informed concerning the state of the Church of which they are members, as well as its program and measure of progress, is the YEAR Book. Even when thought of as a statistical record of the preceding year's work, this book should be of interest to all of our people. It is, however, more than that. It reveals in its very listing of the names of congregations and pastors, as well as the membership of our Boards and agencies of General Synod and of the Synods, the extent of service our Church is rendering. This service is made possible only because of the generous support of our work on the part of the membership in general.

Looking back upon the past year, the Evangelical and Reformed Church has, indeed, reason to thank God for His gracious blessings. At a time of universal stress and turmoil our heavenly Father has permitted us not only to carry on in the accustomed manner, but he has enabled us to enrich and enlarge our areas of service. This has been made possible by the devotion to the task of the Church not only on the part of those entrusted with special administrative responsibilities, but of a very large portion of the membership of our churches. For all this we

praise the name of our God. But even while we rejoice in the faith and consecration of many of our members, we are aware of the fact that unless all of us constantly grow in grace, we will be found to be but unfaithful servants. We are living in a day in which the faith of the followers of Christ is being tested as if by fire. This is the time also when they who are not now of the Church but who are seeking for something that will give life a value and a purpose cannot be persuaded to accept Christ upon the invitation of those who have no more to offer than the claim that they are Christians because they are enrolled in the membership of a church. Only the life that is constantly growing into the full stature of the manhood which was in Christ Jesus our Lord, that is, a life which is Christlike, has the power to convince others of the renewing and enriching qualities of the Christian gospel.

There is every evidence in our day that men, indeed, in all parts of the world are seeking for that which can restore hope and assurance to minds and hearts confronted by the confusion and conflict of our times. Thus the challenge comes to our Church to engage much more effectively than in the past in an effort, first of all, to evangelize our own America. Too long have our people hesitated to witness to their friends and neighbors concerning the saving power of the gospel. As pastors and lay people we need learn more faithfully to heed the commission of our Lord, "Go and make disciples."

To the above we would add the observation that America is on the move to a degree in which this has not been true for decades. The influx of people from rural areas into our cities has resulted in the closing of many churches in the open country and villages and the establishment of many unchurched communities adjacent to our cities. This situation confronts the Church at large and our own denomination with the challenge to organize an ever in-

creasing number of new congregations. To enable the Church to meet this challenge requires both men and money. The Board of National Missions has been seriously handicapped in its program by a lack of adequate building funds. General Synod has given it the right of way to enter upon a campaign to meet this pressing need. During the present year an effort will be made to raise a minimum of \$1,000,000. Surely our people will respond heartily to this challenge.

We have great confidence in the willingness of our membership to support the total program of the Church. The response to the enlarged apportionment budget set up by General Synod of 1950 has given us every reason for encouragement. This applies as well to the apportionment for World Service. God has moved the hearts of our people, making them aware that they are stewards of His manifold blessings.

Nevertheless we, as a Church, have not reached such heights of attainment that we can take our ease in Zion. Indeed, we are deeply conscious of our shortcomings and our failures. We have grown neither in grace nor in numbers in such a manner that we would have reason for pride or boasting. There remains every reason for a searching of our hearts and for deep humility. General Synod knew that only a spiritually alive Church can be a fit instrument through which God can accomplish His purposes. To deepen the faith and quicken the life of our entire membership, pastors and lay members, it created a Committee on Vital Christian Living. This Committee, whose chairman is Rev. E. W. Brueseke of South Bend, Indiana, has even now initiated a program through which we hope to stimulate our Church to a fuller measure of devotion and dedication. It seeks to accomplish this through direct contact with pastors and the members of their congregations, through especially chosen missioners, through convocations of pastors and lay people, through conferences of preaching, through the fostering of private communion with God, and other means yet to be devised.

The same General Synod believed the time had come when the total program of the Church should be subjected to a careful study, evaluating the work of each agency as well as the organizational patterns of the denomination as such. Accordingly it appointed a special committee, which is

known as the Study Committee. Later we discovered that other major denominations are engaged in a similar undertaking. This is chaired by Dr. Ben M. Herbster of Cincinnati. The findings of the Committee

DR. MEYER

are to be submitted to the meeting of General Synod in 1953.

Obviously the tasks assigned to these two committees are of such importance and of such an exacting nature that the office of the President needed the assistance of a special secretary. To this position General Counsel called Dr. J. P. Meyer, pastor of First Church, Detroit, Michigan. Dr. Meyer has entered upon his duties. He is making his home in St. Louis, Missouri. However, he will be in regular contact with the President of the Church and the chairmen of the above two committees. We bespeak for him the hearty cooperation of all the Boards and agencies, as well as the entire Church.

It is for us, as a Church, to remember that forms of organization, as well as programs, are of little avail unless we, as followers of Christ, have, through prayer, waited for His most precious gift, the wisdom and power which only His spirit can bestow. If we would be faithful servants of our Lord, we need our hearts constantly warmed through the practice of fellowship with Him and our minds enlightened through guidance and direction which He has promised to those who sincerely follow Him. That as individuals and as a Church we may be found constantly growing in grace should, therefore, be our greatest concern.

Ordinations

Ordination is the last solemn act by which the Church bestows upon applicants the full rights of privileges of Christian ministers. Applicants must be at least twenty-one years of age. They may be ordained in the congregations of which they are members. The Committee on Ordination shall be appointed by the president of the Synod of which the applicant is a member. Only ordained ministers shall serve in the act of ordination.

Ordination is usually dependent upon a call from a charge, but, with the approval of the President of the Church, a Synod may ordain applicants when, in the judgment of the Board of Examiners of the Synod, the nature of their work justifies ordination.

The following record of Ordinations includes all those that were officially reported to the Office of the Secretary of the Church either by the officiating committees or by the presidents of the Synods. They cover the period ending August 10, 1951. It happens every year that some ordinations are not reported in time to be included, with the result that the editors are sometimes censured without reason.

Ministers are again reminded that the figures appearing in connection with their names in the Register of Ministers indicate the year of ORDINATION and not the year of GRADUATION from a seminary. In a number of instances these years are not identical.

Names and Stations of Missionaries

of the Evangelical and Reformed Church

The following lists contain the names and addresses of the missionaries representing the Church in our seven stations, viz., Africa, China, Honduras, India, Iraq, Japan, and South America. A comparison with the lists shown last year reveals that a number of those who were under appointment then are now on the frontier making their contribution to the work in no uncertain way. This evidences progress which is most encouraging to the leaders as well as to the home Church. The names of those who are now preparing themselves for life service abroad are also given.

The post office addresses of the ordained ministers as well as of the appointees will be found in the Register of Ministers in this edition of the Year Book. The names in italics after the post office addresses of lay missionaries represent the Stations at which they are working. These names are not part of the post office addresses. Such addresses of missionaries home on furlough as were known at the time of going to press are given in the Register of Ministers.

STUDENTS FOR THE MINISTRY

In speaking with a prominent leader of another denomination he said to the editor, "I think your section on Students for the Ministry in your Year Book is the most valuable part of your Year Book." Encouraged by this statement we again present a summary, by Synods, of the number of students for the ministry as reported on the Congregational Statistical Reports for the year 1950. The total for 1950 is 618 as compared with 582 in 1949. This augurs well for the future and should give much encouragement to everyone. It is worthy of note that the prospects for the next two years are even more encouraging. The number of seminarians graduated from our three theological schools in May, 1951, was 49, most of whom were placed before the date of their graduation. Added to this number there will be five or six who were graduated from schools other than our own. This will help to supply the need of pastors for our vacant congregations and is a fine commentary upon the work which our pastors, our Life Enlistment organization and others are doing in recruiting the Christian ministry of the Church. The list follows:

FORM FOR BEQUESTS

Persons desiring to remember the Church or any of its Boards, institutions or agencies in their last will and testament are encouraged and advised to secure the services of a lawyer or of some other qualified individual. This is advisable because of the variations in State laws governing bequests to religious and charitable agencies, especially with reference to the time that must elapse between the date of the will and the death of the testator. Otherwise, the intent of the testator may be defeated.

The greatest care should be exercised so that all bequests are made in the manner prescribed by law. Where several Boards or institutions are to be remembered, a separate paragraph beginning, "I give and bequeath," etc., should be made for each one. The following form for general bequests is suggested in the event that no lawyer is available for counsel:—

"I hereby give and bequeath to the Evangelical and Reformed Church, of which Mr. F. A. Keck, St. Louis, Missouri, is the treasurer, for the use of (insert here the particular cause which it is desired shall receive the bequest, or if no preference is had this clause in the will may be omitted) the sum of Dollars, and the receipt of the Treasurer thereof shall be sufficient discharge for my Executor."

In designating the beneficiary of a bequest, it is of the utmost importance that the testator or his counsel use the official title of the administrative body, and the correct name and location of the Board, institution or agency to be remembered.

The corporate titles of our Church Boards, agencies and institutions may be found on pages 50 and 51 of this Year Book.

Deceased Ministers of the Church

WE hold in grateful remembrance the fifty-two ministers whose likenesses and brief obituaries are shown in the falls. and brief obituaries are shown in the following pages. All of them have been or will be beautifully memorialized at the spring meetings of their respective Synods. The extent of their sacrificial labors in building the Kingdom of love and light is known to God alone.

Of this number fourteen were pastors, thirty-two were retired, one was a seminary professor, one a college president and four ministers without charge. Their average age was 72 years, 2 months and 8 days. Sixteen of them were foreign born, representing the homelands of Germany, Hungary and Switzerland. The names of an unusually large number were included on the Golden Honor Roll appearing elsewhere in the Year Book, indicating that their ministry had covered more than fifty years.

Grateful acknowledgment is made of the splendid cooperation on the part of individuals, congregations and pastors in furnishing the editor with photographs from which the necessary cuts were made. As a result we were able to secure photos of all the deceased ministers, thus serving not only to preserve their likenesses but also to add to our library of cuts for future reference and use.

The year also witnessed the passing of a large number of ministers' wives and widows. The sympathy of a grateful Church goes out to all who mourn their passing.

Widows of Ministers

Evangelical and Reformed Church

Every effort has again been made to secure an accurate and complete list of the widows of ministers, together with their addresses. Inaccuracies, omissions, deaths, etc., should be reported to the office of Dr. Kerschner, 616 Schaff Bldg., 1505 Race St., Philadelphia 2, Pa. (It is the editorial policy not to include widows whose status has been changed through re-marriage.)

Corporate Titles of the Boards and Institutions

Of the Evangelical and Reformed Church

HEREWITH are given the corporate or charter names, together with the headquarter addresses, of the Boards and institutions of the Evangelical and Reformed Church. This information has been secured direct from the executives of these agencies by Dr. John W. Mueller, Counselor of the Church, and the editor of the Year Book in response to numerous requests from persons who had need of it in connection with writing wills or drawing up other legal papers.

In every instance the words "of the Evangelical and Reformed Church" should be added to the title. In cases where Boards or institutions are familiarly known by a popular name instead of by the corporate title this popular name is shown in parentheses. The addresses given are those of the executive offices of the Boards and institutions listed.

Locations of Churches

The location of every congregation of the Church is listed. Where the street location is missing that information was not reported on the statistical blank.

The name of each congregation is exactly as reported by the pastor. It is presumed that this is as the congregation is designated in its charter. For example, we find Saint John, Saint Johns and St. John's.

Please send notes of any errors immediately to W. S. Kerschner, Secretary, 1505 Race St., Philadelphia 2, Pa.

The surname and initials of the pastor appear after the name and address of each church. Reference to city, town, or state in the "Register of Ministers" will further establish identity. The title "Rev." and all degrees are omitted from this section.

Abbreviations: mi, miles; nr, near; N, north; E, east; S, south; W, west.

The Presidents OF THE THIRTY-FOUR SYNODS

A NEW all-time high in the annals of the united Church was established in connection with the spring meetings of the Synods when 19 new presidents were elected to office. The highest previous turnover was 16 in 1947. Of the 19, 11 were advanced from the office of vice-president. The fact that they have "gone through the chairs" should stand them in good stead in performing the manifold duties of their office. Of the 19, 4 took the place of presidents who transferred to other Synods while still in office. Seven presidents were elected to succeed themselves and are now serving their second term.

The terms of 12 presidents expired with the spring meetings, 5 having served for one term and 7 for two terms of two years each. The only full-

time president is now in the last year of his four year term.

The pictures of the presidents, together with their addresses and the Synods they serve, are given herewith. Their complete addresses may be found in the Register of Ministers, and the Rosters of the Synods indicate

the extent of their jurisdiction.

"The president of a Synod shall have been a member of the Synod for not less than three years and a minister of the Church for not less than five years. . . . The term of office for the officers of the Synod shall be two years. After two full terms of office the president and vice-president shall not be eligible to succeed themselves." (By-laws, Art. 5, Sec. 57.)

Review of the 1950 Statistics

THE statistical record for the year 1950 has been written. A study of the summary shown on pages 147, 148 and 149 reveals gains and losses, lights and shadows. There is much to encourage us but also much that should give us pause.

A net gain of 9,580 members as compared with 7,726 in 1949 brought our total communicant membership to 735,941 as of December 31, 1950. The accessions for the year were: by confirmation 20,880 vs. 21,317 in 1949; by transfer 13, 453 vs. 13,196; by renewal 13,744 vs. 13,697. Total accessions, 48,077 vs. 48,210 in 1949. The losses for the year were: by death 11,645 vs. 11,677 in 1949; by transfer 11,957 vs. 11,491; by erasure 14,408 vs. 16,735. Total losses, 38,010 vs. 39,903 in 1949. The plus of 10,067 in total accessions over total losses compares favorably with the totals of 8,307 in 1949 and 5,364 in 1948. This is encouraging. Likewise, a decrease of 1,327 in the total number of erasures (for the second successive year) is as it should be.

Only two Synods, viz., Pittsburgh and Magyar, reported a net loss in membership. In 1949 there were eight. The five Synods leading in total accessions were in the order named, Missouri Valley, South Indiana, Southwest Ohio, Northeast Ohio and North Illinois.

The communicant membership was 735,941 as compared with 726,361 in 1949. However, viewed in the light of our opportunities and all that has been done through the United Evangelistic Advance it passes comprehension that in 1950 there were 280 congregations that did not report a single accession in any of the three categories, and 1,188 that had no net gain in membership! All this in a year that recorded a Sunday Church School enrollment of 468,149—an increase of 12,269 over 1949—and an average attendance of 281,510—an increase of 7,035. These Church School figures represent the totals gathered from the congregational statistical reports. It is a conservative statement that at least 300 of these reports cannot be relied upon for the accuracy of the Church School figures.

The number of pastors at the end of 1950 was 1,780 and the ministers without charge 714, or a total of 2,494 vs. 2,467 in 1949. Because a number of ordinations of recent seminary graduates were reported to the secretary's office too late to be included in these totals it is safe to say that the number of pastors is at least equal to that of the previous year, viz., 1,791. Because of the increased enrollments in our three theological seminaries it is safe to believe that the number of pastors will show a substantial increase during the next few years.

What is the record of our contributions to kingdom causes at home and abroad for the year? For the third successive year the amount paid on the apportionment for benevolences exceeded the \$2,000,000 mark, the total being \$2,080,225. This total is at slight variance with Treasurer Keck's total, but it represents the amounts reported by the congregations, 85 of which submitted no report, however.

The reported total of contributions to the World Service Fund was \$534,974, which amount was \$237,855 less than the total contributed during the calendar year 1949. This naturally adversely affected the total for benevolences, which fell from \$4,053,512 in 1949 to \$3,963,241. The total of \$1,355,224 given for debt reduction and interest exceeded the amount given in 1949 by \$230,855. The totals of \$11,974 given for current expenses and \$21,084,451 for total congregational purposes far exceeded the amounts contributed in 1949 and set all-time highs in both areas. (The hope is indulged that much of these increases represents increased grants made to our deserving pastors.) The fact that the valuation of parsonages mounted to \$16,784,845 and that of all other church buildings and real estate to \$131,081,796 is evidence that the building and expansion programs to which hundreds of congregations had been directing their efforts for some time was continued unabated during 1950. This also accounts largely for the increase in the total debt from \$5,296,949 to \$6,272,648 in 1950.

For the information of those who are interested in the per capita giving by the Church, using the 1950 membership of 735,941 as the basis, the figures show that the per capita giving for benevolences in 1950 was \$5.25 and for current expenses \$28.65, or a total of \$33.90. The respective totals for 1949 were \$5.64, \$27.70 and \$33.34.

Introduction to the 1950 Statistical Tables

For the Year Ending December 31, 1950

A PERSIAN war-chieftain found it necessary to replenish his battle herd. Going out upon the plains he corralled a number of wild horses and began to train them so as to fit them for battle. He subjected them to a stern discipline, one severe test being to become familiar with his battle-cry. Now the day came for the final test. After depriving them of water for a time, on the second day he opened the gate of the corral, and all of them rushed pell-mell down the hill toward the river's brink to slake their thirst. Just then he sounded his battle cry! Most of them returned to the corral, but some followed their own inclination to the end. Those that were alert and returned he made the nucleus of his battle herd.

Without pressing the application in every detail, the roundup of the annual statistical reports has some marks of similarity. In spite of all that can be done in every conceivable way to secure the annual statistics from every congregation there are always some that do not heed the "battle-cry." This responsibility rests primarily with the pastors, and rightly so. It is their duty to see to it that the congregational records are diligently kept either by themselves or by others who are regularly appointed to do so. A sad reflection is that in a number of instances pastors are perennial repeaters in failing to submit their reports, and this in spite of repeated requests and urgings. In bold contrast is the unfailing faithfulness and readiness on the part of 98% of our pastors as well as the officials and other leaders in the more than 250 vacant congregations who outdo themselves in supplying the official statistics on the blanks furnished them. All honor to them, and sincere thanks!

Of the 2,754 congregations all but 85 submitted reports. There were fourteen 100% Synods, as compared with sixteen in 1948 and 1949. These attained the 100% goal in the following order: Northeast Ohio, Lehigh, Reading, Pacific Northwest, Lancaster, Kansas City, Southern, South Indiana, Susquehanna, Central Pennsylvania, Magyar, South Illinois, Philadelphia and Potomac. The following Synods came within one report of attaining the 100% goal: California, Mercersburg, Southeast Ohio, Southwest Ohio, South Wisconsin and Texas. The following lacked two reports: Iowa, New York, North Illinois, Northwest Ohio, Pittsburgh, Rocky Mountain and West New York. Trailing in the procession were Northern, East Pennsylvania, Michigan-Indiana, North Wisconsin, Missouri Valley, Nebraska and Dakota with missing reports varying from three to twentynine. In several Synods conditions were such that the 100% goal was impossible, but in most cases a little additional effort would probably have tipped the balance in the right direction.

After an experience of eight years as statistician, the secretary is strong in his conviction that a number of pastors and congregations do not keep records as faithfully as they should. The result: honesty dictates that they will not report that which they do not have. To give them one must keep them. The following suggests itself and may be worth considering by the Synods: it is within the province and power of every Synodical Council to make a periodic inspection of the records of every congregation in the Synod. If this were carried out cooperatively and sympathetically, not only would the number of non-reporting congregations be reduced to a minimum, but there would also be many good by-products in other areas.

Advance notice is hereby given that upon urgent request the rubric "Urban or Rural," which had been omitted from the statistical report blank for the past two years, will be restored on the blank for 1952. The deadline for submitting the reports to the secretary of the Church and the presidents of the Synods will again be February 1.

EXPLANATION OF SYMBOLS

The asterisk (*) designates congregations which are affiliated, and not in full membership with the Evangelical and Reformed Church. The symbol # indicates that congregations so marked returned no report for 1950, and that the statistics used are those of a previous year, in cases where they are available.

These congregational statistics went to press early in July. Therefore, many of the pastors whose names appear are not the present incumbents. A more accurate and complete listing appears in the Rosters of the Synods.

CENTRAL HEATING AND ADMINISTRATION BUILDINGS (Women's Building in Background)
AT MARTHASVILLE.

The Emmaus Homes at Marthasville and St. Charles, Missouri, offer a gateway to a separate world for the mentally deficient, chronic epileptic and mental seniles. Each of these institutions has become a haven of refuge fostering cooperative living among the mentally handicapped. They are established as small communities so that those so handicapped might find what may be withheld from them in average society. They are like little worlds adapted to the needs of those who will not respond to any restorative treatments or who have never had the powers or abilities which are the heritage of the average person. Personnel for these locations is recruited primarily from the churches. For information on this kind of Christian service write to the superintendent of either location.

Enthusiastic leaders of churches owning instruments tell us that the worth of this electronic carillon cannot be expressed in dollar value, or even in the pleasure its beautiful music gives the community. Again and again they agree on ten outstanding benefits they have tested after choosing "Carillonic Bells":

- 1. They "advertise" the church.
- 2. They prepare folks for worship.
- 3. They increase attendance.
- 4. They enhance the beauty of the service.
- 5. They increase membership.

- 6. They comfort the sick and shut-ins.
- 7. They inspire new character in many.
- They bring religious thoughts every day.
- They create a cultural atmosphere.
- 10. They build the influence of the church.

We'll gladly arrange for you to hear "Carillonic Bells" played on an installation near you. Then judge its superiority for yourself, and see how reasonably your church can install one. Write for descriptive literature:

INSURANCE IS IMPORTANT

This Company has written the insurance for Evangelical and Reformed Churches for the past sixty years.

Writes insurance on churches, hospitals, orphanages, seminaries, colleges, pastors' household goods and personal property, pastors' widows and missionaries; also the property of the members in the congregation.

Pastors' personal property housed in the church office is insured without special endorsement, while in transit or storage without advance in rates.

The Company writes Fire and Extended Coverage. Extended Coverage is very important as it provides protection for Windstorm, Hail, Explosion, Riot, Riot Attending a Strike, Civil Commotion, Aircraft, Vehicles, Smoke.

All Policyholders should make a careful appraisal of their buildings and take an inventory of the contents so as to get their insurance in line with present day values of replacement.

Policies can be written on a three or five year term, or on an annual basis for a term of five years. This plan simplifies payment of premiums.

No carrying charges and all policies are non-assessable.

The company operates under a perpetual charter.

Inquiries addressed to the Home Office will be cheerfully answered.
